REPORT OF INDEPENDENT ACCOUNTANTS

To the Board of Trustees
Benedictine High School
Richmond, Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of Benedictine High School (the "School"), an affiliate of Benedictine Society of Virginia and the Benedictine Educational Foundation, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Benedictine High School as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

BENEDICTINE HIGH SCHOOL

Notes to Financial Statements

1. Summary of Significant Accounting Policies:

Description of Organization: Benedictine High School, d.b.a. Benedictine College Preparatory (the "School"), is an affiliate of the Benedictine Society of Virginia (the "Society") and the Benedictine Educational Foundation (the "Foundation"). The School was organized by the Society and the Board of Trustees is appointed by the Society.

Financial Statement Presentation: The financial statements of the School have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. The accompanying financial statements represent the accounts of the School on a stand-alone basis and do not include the accounts of the Society or the Foundation. These financial statements are not intended to present the combined financial position and changes in net assets of the Society and Foundation.

Use of Estimates: The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Classification of Net Assets: The financial statements are presented in accordance with Financial Accounting Standards Board ("FASB") accounting guidance for financial statements of not-for-profit organizations, which establishes standards for financial statements issued by nonprofit organizations. It requires that net assets and related revenue and expenses be classified in three classes of net assets – unrestricted, temporarily restricted and permanently restricted reflected based upon the existence or absence of donor-imposed restrictions. A definition and description of each net asset class follows:

Unrestricted Net Assets: Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets include the revenues and expenses of primary operations of the School.

Temporarily Restricted Net Assets: Net assets that are subject to donor or grant-imposed stipulations that may or will be met either by actions of the School and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets: Net assets subject to donor-imposed restrictions requiring the school to maintain such amounts permanently.

BENEDICTINE HIGH SCHOOL

Notes to Financial Statements, Continued

1. Summary of Significant Accounting Policies, Continued:

Cash and Cash Equivalents: The School considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

Recognition of Contributions: Contributions are recognized when the donor makes a promise to give to the School that is, in substance, unconditional. All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are classified as unrestricted.

Tuition Receivable: The School provides an allowance for potentially uncollectible accounts based on the School's historical bad debt experience and based on management's judgment. When accounts are considered uncollectible, they are written off against the allowance. The allowance for doubtful accounts was \$285,488 as of June 30, 2017 and \$226,208 as of June 30, 2016.

Pledges Receivable: The School uses the allowance method to determine uncollectible pledges. The allowance is based on prior years' experience and management's analysis of specific promises made. The allowance for uncollectible pledges was \$90,133 as of June 30, 2017 and \$56,400 as of June 30, 2016.

Inventory: Inventory is stated at the lower of cost determined on the first-in, first-out ("FIFO") method, or market and consists primarily of uniforms and other student attire.

Property and Equipment: Property and equipment are stated at cost. Contributions of property and equipment are reported as unrestricted support unless the donor has restricted the contributed asset to a specific purpose. Assets contributed with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those contributed assets must be maintained, the School reports expirations of the donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The School reclassifies temporarily restricted net assets to unrestricted at that time.

Major repairs and betterments are capitalized and normal maintenance and repairs are charged to expense as incurred. Depreciation is computed by the straight-line method over the estimated useful lives of the related assets, which range from three to thirty years. Included in property and equipment is construction in progress related to the costs of renovating the grounds and facilities of the School. No provision for depreciation is made on construction in progress until such time as the relevant assets are complete and put into use. Upon retirement or sale of an asset, the cost and accumulated depreciation are removed and any gain or loss is reflected in operations.

BENEDICTINE HIGH SCHOOL

Notes to Financial Statements, Continued

1. Summary of Significant Accounting Policies, Continued:

Unearned Tuition Income: Unearned tuition income consists of tuition received in the current year for classes that have not yet occurred. These amounts are refundable in the event of cancellation and are considered to be earned in the period the services are performed.

Income Taxes: The School is a non-profit organization affiliated with the Roman Catholic Church in the United States and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The School is not considered a private foundation.

Management has evaluated the effect of guidance surrounding uncertain income tax positions and concluded that the School has no significant financial statement exposure to uncertain income tax positions at June 30, 2017 and 2016. As a religious-affiliated organization, the School is not required to file a tax or information return with the taxing authorities. The School is not currently under audit by any tax jurisdiction.

Advertising Costs: The School expenses advertising costs as they are incurred. Advertising expense amounted to \$8,215 for 2017 and \$15,537 for 2016.

Credit Risk: Financial instruments which potentially subject the School to concentration of credit risk consist principally of cash and cash equivalents and tuition receivable. The School maintains its cash in one financial institution with balances that periodically exceed federally insured limits. Credit risk related to tuition receivable is limited due to the large number of students comprising the School's receivable base and School policies, which include analysis of each student balance on a regular basis and the School's allowance for doubtful accounts.

Recent Accounting Pronouncements:

Leases: In February 2016, the FASB issued new guidance over leases which requires that all leasing activity with initial terms in excess of twelve months be recognized on the statement of financial position with a right of use asset and a lease liability. The standards will require entities to classify leases as either a finance or operating lease based upon the contractual terms. For finance leases, the right to use asset and lease liability will be calculated based upon the present value of the lease payments. The asset will then be amortized and the interest on the obligation will be recognized separately within the statement of activities. On the statement of cash flows, the principal portion of the financing lease payments will be classified as a financing activity. For operating leases, the right to use asset and lease liability will also be calculated based upon the present value of the lease payments. However, the cost of the lease will generally be allocated over the lease term on a straight-line basis and presented as a single expense on the statement of activities. On the statement of cash flows, all cash payments for operating leases will be classified as an operating activity.

1. Summary of Significant Accounting Policies, Continued:

Recent Accounting Pronouncements, Continued:

The new standard will be effective for periods beginning after December 15, 2019, and will require entities to use a modified retrospective approach to the earliest period presented. The Foundation is currently evaluating the reporting and economic implications of the new standard.

Revenue Recognition: In May 2014, the FASB issued new guidance over revenue recognition which eliminates all transaction and industry specific accounting principles and replaces them with a unified, five step approach. The new standard will be effective for period beginning after December 15, 2018, and will permit the use of either the retrospective reporting for previous periods or the cumulative effect transition method. The Foundation is currently evaluating the reporting and economic implications of the new standard.

Not-for-Profit Reporting: In August 2016, FASB issued Accounting Standards Update (“ASU”) No. 2016-14, “Not-For-Profit Entities (Topic 958): Presentation of Financial Statements of Not-For-Profit Entities”, which both simplifies certain aspects of reporting required by not-for-profit organizations and increases disclosures with a goal to improve the usefulness of not-for-profit financial statements to the various stakeholders, including management, directors, lenders, and donors. Significant changes include the following:

- Replaces the existing three classes of net assets (unrestricted, temporarily restricted, and permanently restricted) with two new classes of net assets—net assets with donor restrictions and net assets without donor restrictions.
- Changes the net asset classification of the underwater amounts of donor-restricted endowment funds to be shown as a component of *net assets with donor restrictions* and requires additional disclosures for underwater endowment funds.
- Requires all not-for-profits to provide expenses by nature and function.
- Requires expansive disclosures (both quantitative and qualitative) of information about liquidity and availability of resources.

The amendments in this ASU are effective for fiscal years beginning after December 15, 2017 with early adoption permitted. The Foundation has elected not to early adopt this ASU and intends to adopt it prior to the required transition date.

Subsequent Events: Management has evaluated subsequent events through October 26, 2017, the date the financial statements were available to be issued, and has determined there are no subsequent events to be reported in the accompanying financial statements.

5. Note Payable:

During 2013, the School entered into a non-recourse loan with a commercial bank in an original amount of \$500,000 for the 2012 acquisition of residential real estate, previously financed through intercompany activity. The note is payable in monthly installments of \$2,797 and bears interest at 4.50% per annum. The School made additional payments to pay down the mortgage in 2017. The note is collateralized by a deed of trust on certain real property of the School. Interest incurred on the mortgage was \$14,392 during 2017 and \$18,618 during 2016. The mortgage had a balance of \$360,606 at June 30, 2017 and \$416,764 at June 30, 2016.

Scheduled maturities of the note payable at June 30, 2017 are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2018	\$ 20,744
2019	21,514
2020	<u>318,348</u>

6. Temporarily Restricted Net Assets, Continued:

Net assets are released from donor restrictions when expenses are incurred to satisfy the restricted purposes or by the occurrence of other events as specified by donors. Purpose restrictions accomplished were as follows for the years ended June 30:

<u>Purpose</u>	<u>2017</u>	<u>2016</u>
Alumni association	\$ 375,320	\$ 464,925
Other time restricted donations	-	83,278
Financial aid and scholarships	-	52,200
Planned giving	<u>11,304</u>	<u>145,567</u>
	<u>\$ 386,624</u>	<u>\$ 745,970</u>

7. Permanently Restricted Net Assets and Endowed Funds:

Permanently restricted net assets restricted for the purpose of a faculty endowment amounted to \$1,500 at June 30, 2017 and 2016. The principal of all permanently restricted net assets must be invested in perpetuity; however, income and gains are available to support scholarships and other program activities. This endowment is donor-restricted and there were no changes to the balance in the year ended June 30, 2017 or 2016.

8. Defined Contribution Retirement Plan:

The School sponsors a defined contribution pension plan for academic and non-academic personnel. Participation in the plan is available to all full-time employees of the School, employees who teach at least 3 classes per week or hourly employees who work at least 1,000 hours in a plan year. Contributions are made to the plan by the School in amounts equal to 3% of regular annual salary for eligible employees who have completed two years of service. The School can also make discretionary, matching contributions to the plan as determined by the Board of Trustees.

Employees are fully and immediately vested in the benefits arising from contributions made to the plan and such amounts are non-forfeitable. The School's contributions to the plan amounted to \$48,791 for 2017 and \$47,218 for 2016.

BENEDICTINE HIGH SCHOOL

Notes to Financial Statements, Continued

9. Leases:

The School has signed an agreement with the Society to lease certain land and buildings to use in operations through September 1, 2066. The lease is rent-free until September 1, 2016, at which point the School began making monthly payments of \$10,075 through August 31, 2019. On September 1, 2019, and on each three year anniversary thereof, the rental amount shall increase (but never decrease) by the percentage increase, if any, in the "All Items" Consumer Price Index for Urban Wage Earners and Clerical Workers for the Richmond, Virginia Metropolitan Statistical Area.

The School leases office equipment and computers under various lease agreements. The lease terms expire over the next one to four years. All leases are accounted for as operating leases.

The total rent expense under the operating leases was \$207,677 for 2017 and \$211,671 for 2016. At June 30, 2017, future minimum lease payments required under the operating leases were as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2018	\$ 141,440
2019	146,672
2020	146,672
2021	146,672
2022	120,900
Thereafter	<u>5,007,275</u>
	<u><u>\$ 5,709,631</u></u>

Effective August 1, 2012, the School began leasing property located at 322 Riverside Court, Richmond, Virginia to an employee of the School ("Tenant"). The leased property includes residential real estate and furniture and fixtures that have a cost of \$779,496 and accumulated depreciation of \$140,169 at June 30, 2017. The leased property had a cost of \$776,846 and accumulated depreciation of \$111,874 as of June 30, 2016. The property is included in property and equipment – net on the statements of financial position. The cancelable lease has a term of seven years and provides for monthly receipts of \$2,800.
